Construction is expected to start: _____ and is expected to be completed: _____

CULVERT INSTALLATION SHALL BE ROCKED AT BOTH ENDS

Acceptance of this permit signifies the applicant agrees to the following:

1. To provide, erect and maintain all necessary barricades, lights, warning signs and other devices to safeguard traffic properly while the work is in process. Highway shall at no time be closed to traffic
2. To notify Dig-Safe of proposed construction (Toll-free 1-888-DIG-SAFE); and,
3. To install the proposed entrance in accordance with the standards in effect for such entrances at the time of approval.

Signature of Applicant: _____ Date: _____

INDICATE DESIRED ENTRANCE LOCATION WITH STAKES INSTALLED ON BOTH SIDES OF PROPOSED DRIVEWAY, LABELED WITH THE PERMITTEE'S NAME.

CULVERT DIAMETER: _____ CULVERT TYPE: [___] ABS [___] CGM LENGTH: _____ Feet.
Permitted by: _____ Date: _____
Final Approval by _____ Date: _____

NOTE: A permit must be obtained from the Town Office before any new culverts are installed.
If culvert installation is done prior to obtaining a permit then an "after the fact" permit must be applied for. The cost of an "after the fact" permit shall be $20.00. Once the Public Works Director has given notice that an "after the fact" permit is needed and is not applied for within 24 hours the cost of the permit shall double.

Anyone violating this policy shall be subject to a penalty of $100.00 per day. Each day that the violation continues shall constitute a separate offense. If legal action is required, the offender shall be liable for reasonable attorney fees and costs authorized under 30A, MRSA ss 4452

NOTE: Approval for a driveway entrance does not guarantee the parcel to be a buildable lot.
