

Beginners to Intermediates Quilting Class

Instructor: Maida Robichaud

Beginners: Students will learn the basics of color, piecing, fabrics, finishing and binding a project. Get a head start on Christmas as you finish 2 projects for this class.

Intermediates: The class will be introduced to a challenging pattern for a quilt or wall hanging. Paper piecing as well as some very fussy cutting will challenge you for this class.

Students will furnish their own fabric and intermediates will need to purchase a pattern. Prior to class, you will receive a call telling you what and how much you need to purchase for these classes.
