

TACKLE FOOTBALL

BOYS & GIRLS GRADES 3 TO 8

Hermon Recreation is excited about the upcoming 2016 tackle football season! We currently field 2 tackle teams - Grade 5/6 & 7/8 . Thanks to a generous donation from Mr. Billy Hartt and the Friends of Hermon Football, we will be adding a Grade 3/4 tackle team this year! All teams are organized and run under our recreation department . We play other teams within a short traveling distance and play our home games at the Hermon Elementary School . Grade 7/8 level participates in the EMMSFL and will be following all athletic requirements of a middle school student as well as a player participant.

If your child is interested in being part of our football family - register online at www.hermon.net!
