FALL IS FINALLY HERE!

For many of us, fall is our favorite time of year. It has been a great season so far with our recreational soccer and football teams, and there have been some terrific sunny Saturdays out there on the fields! It is so great to see friends and families gathering to watch their children doing something they love. Thanks for another great session of Hermon Recreation Sports!

B&A Programming News:

We hope your child enjoys attending our program- whether they attend the morning, afternoon, or both sessions! We have implemented a few changes to our daily schedule and feel that has been going well. A reminder to our parents when dropping your child off for morning rec,

please do not use the handicapped parking spaces unless you are authorized to do so. We appreciate your understanding!

Parents Night Out: On Friday, November 13 from 6-10 PM, we will open our doors for a night of fun for everyone in the family! Parents will pay a \$10 drop in fee for their first child, and \$5 for each additional sibling. Would you love to have a night out and not worry about finding a babysitter? Hermon Rec will be offering an evening of fun for your children by providing activities in the gym, arts & crafts, movies, creative play and pizza/juice will be served!

Adult Programming: Hermon Rec has lots of programming to offer adults too! Some new programs we have added this year will include a Beginner Couponing Class, CPR Training and a Book Club for Adults. And of course we are bringing back Co-Ed Basketball and Fit Club! Be sure to check your mailboxes or our website for a full list of whats to come.

Everyday Reminders: We use the gym everyday, please remember to wear or pack sneakers! Also, its getting cooler and we go outside as often as we can. Please remember to pack a jacket or sweatshirt! And lastly, an afternoon snack is necessary everyday- pack extra or remind your child to save one for Rec!
