

# WHAT'S IN MY PACKET?

We want you to feel comfortable when you leave your children with us each day. Included in this packet are helpful tips & reminders to make sure you and your children will get the most out of our program and enjoy their time spent at Hermon Recreation.

If there is anything we may have missed, please do not hesitate to send me an e-mail and I would be happy to answer your questions or concerns.

Thanks,

Lindsey Ouellette
